

[Kanchipuram silk sarees](#) and Its Types – [Kanjivaram Sarees](#)

Types of [Kanchipuram silk sarees](#)

Kanchipuram is a place in the Southern India, which gained its popularity some 400 years ago for the unique weaving of [Silk sarees](#), which are now known as the [Kanchipuram Silk sarees](#) or [the Kanjivaram silk sarees](#).

About [Kanchipuram Silk Sarees](#)

These sarees are a pure silk weave fabric from Mulberry silk and is woven in zari which comes from Gujarat, where by the Zari yarns have Silver wire in it which is gold plated to give that unique and rich pure silk and gold weave look.

[Kanchipuram sarees](#) are identified by this special weaving of silk and the heavy weight. Motifs like Temple borders, checks and stripes, florals, paisley, are very common and the coin design motifs too which are a symbolic look for [kanjivaram sarees](#).

The borders are also the main design part of these sarees, which are in gold zari which is a total contrast to the saree, they are in the parallel weave of lengthwise direction, and the borders are woven separately.

The temple borders is another key design which unites the pallu section from the body section.

Mostly the South Indian Women consider this as their [Wedding saree](#) attire as it's a rich and heavy saree perfect for such events.

When you need to [buy Kanchipuram sarees](#), make sure you know how to identify them and the above-mentioned features will guide you to shopping these high-quality silk sarees.
